

You know, I'm sick and I'm tired,
This PR man that I've hired
Ain't doin' nothing for me
But he still charges his fee
Gotta get out of this game
But will I still feel the same
Without my celebrity?
Oh, oh - this is a dirty business
Gotta wash my hands and bow out
Gotta cool it, gotta end the doubt
Gotta set myself free
From the soaps on TV
Gotta get up and go
Oh oh
Why not?
The movies suck
Just my luck
Bye, bye
To Hollywood.
