Love Thing. Everyone's worst fears (or fondest hopes) about drag-queen comedy are realized in this nightmarish 1980 feature-length video by Michael Mannetta, starring Joaquin La Habana as a frustrated housewife whose dull sex life is perked up by a famous gigolo. Hideous mugging is punched up with a laugh track (you don't know how maddening this can be until you've experienced it) and intercut with unrelated camp musical numbers (DS) (EZTV, 8543 Santa Monica Bl., No. 11, 657-1532, Thru Sun at 8).
